Honorable Derrick K. Watson  
Judge  
United States District Court  
300 Ala Moana Boulevard  
Honolulu, HI 96850

To the Honorable Judge Derrick K. Watson,

My family has known William Wong (Bill) since 2015. We invest in real estate by buying properties, building new homes, renovating, and selling the houses. To be successful in renovating and building new homes, expert knowledge and understanding of the real estate market, construction methods, building plans, and obtaining building permit in a timely manner are critical. Knowledge of the City Building Codes and current City Ordinance rules are also important.

We are very fortunate to know Bill as we have completed many projects together successfully. Bill, as an Architect, is exceptionally knowledgeable about the Department of Planning and Permitting (DPP) process in obtaining a building permit. He is technically versed with the local building codes and the City's current Ordinance rules. He was a Third-Party reviewer, certified by DPP, that saved us many months in obtaining a building permit. Bill really helped us in maintaining our budget and completing the projects on time.

Due to Bill's knowledge and understanding of construction methods and building codes, he has the respect of many contractors and the DPP permit plan reviewers. It resulted in few problems during the construction of our projects and DPP's few comments from reviewing of the plans for permit approvals.

Bill is a professional and is a very good person. He is caring and always works hard to make sure we are happy with the project. He has given us discounts on our projects over the years and we are very thankful for his generosity and helping the community. He only cares about providing a good service to his clients and never overcharges to take advantage of anyone. His faith in Jesus is very strong and I trust Bill and will continue to work with him as he have performed and we are very happy with his service.

I understand the situation that he is in right now is troubling him, but he still works so hard and does not increase his rates and continues to help us and the community. Bill is a good and honest man who admits his mistakes and deserves a chance as he continues to help people. We believe he is a good candidate for probation as he continues to work hard for his family, clients and the community. Please have mercy on him as he deserves a chance to redeem himself.

Sincerely,

Maribeth George
